

The 2014 Awards for Excellence Ceremony.

The Honourable Sharon Blady, Minister of Healthy Living and Seniors presented the awards.

Community Service - Mary Nichols.

The award for excellence in community service will be given to a person, team or volunteer who has either provided exceptional service to residents of the community such as adult day programs, respite care; or to volunteers or employees who have provided exceptional service to the residents/clients within a facility in the long term care continuum, by facilitating a connection to the community.

There were 2 Awards for Recreation Therapy Service - Emerson Volunteer Auxiliary. Gerry Becker, President, accepted the award and Rachelle Dureault (Duro).

The award for excellence in recreation therapy service will be given to a person or team that has shown innovation in the type and delivery of an exceptional recreational therapy program that has benefited residents/clients of a facility in the long term care continuum.

Innovation/Vision/Leadership - Hospital Home Team River East/Transcona.

The award for excellence in innovation/vision/leadership will be given to a person or team that has had a positive effect on staff and/or residents/clients by promoting and enhancing quality care, compassion, and respect for rights and dignity.
